PPG provides a link between patients and Health Centre

A fully operational Patients Participation Group (PPG) has been at Ramsey Health Centre since early in the year and meets at the Health Centre every six weeks, providing a link between patients and the Health Centre to discuss and resolve problems.

It has recently been involved in reviewing appointment capacity and utilisation. The Health Centre commissioned an external consultant to analyse capacity, availability and demand with the conclusion that capacity was generally sufficient but efficiency improvements could be made.

Appointment system change

From 1st September the appointment system will be changed to increase efficiency. Anyone requesting a GP appointment will at first be

These new measures are supported by the PPG and their effectiveness will be monitored regularly by them at their meetings.

The PPG can be contacted by email at ramseyhealthcentre.ppg@gmail.com or via the Health Centre practice managers.
